RA15. Planning, designing and executing projects based on the data life-cycle RA18. Able to work in a team

RA18. Able to work in a team

## Syllabus

### Personal abilities

- Leadership.
- Public speaking
- Flexible thinking.
- Time management.

### Project Management

- Organisation of teamwork. KANBAN Methodology
- Tools for collaborative work Communication skills

### Communication skills

## Training activities

The training activities planned for this module are the following:

- Challenge-based learning (1.5 ECTS)
- Teamwork (0 ECTS)
- Workshops (0 ECTS)
- Online resources (0.5 ECTS)
- Reflection (0.5 ECTS)
- Individual work (0.5 ECTS)

## Assessment system

Assessment will be by means of the continuous assessment system, providing constant feedback to both teachers and students on the learning process throughout the academic period:

- Learning activities involving the presentation of knowledge and individual study may be assessed by means of oral and/or written tests, which will account for a maximum of 60% of the final mark.
- The training activities aimed at acquiring the practical skills of the subjects will be assessed through the completion of various activities (assignments, case studies,

challenges, etc.) accounting for at least 40% of the final mark.

Details of the assessment and marking will be made explicit in the annual academic planning of the subjects, in accordance with the teachers responsible and the determining factors of each course.
